In accordance with sections 353.22(a) and 355.22(a) of the regulations, an interested party as defined by section 353.2(k) may request in writing that the Secretary conduct an administrative review. For antidumping reviews, the interested party must specify for which individual producers or resellers covered by an antidumping finding or order it is requesting a review, and the requesting party must state why it desires the Secretary to review those particular producers or resellers. If the interested party intends for the Secretary to review sales of merchandise by a reseller (or a producer if that producer also resells merchandise from other suppliers) which were produced in more than one country of origin, and each country of origin is subject to a separate order, then the interested party must state specifically which reseller(s) and which countries of origin for each reseller the request is intended to cover.

Seven copies of the request should be submitted to the Assistant Secretary for Import Administration, International Trade Administration, room B-099, U.S.

Department of Commerce, Washington, DC 20230. The Department also asks parties to serve a copy of their requests to the Office of Antidumping Compliance, Attention: John Kugelman, in room 3065 of the main Commerce Building. Further, in accordance with section 353.31(g) or 355.31(g) of the regulations, a copy of each request must be served on every party on the Department's service list.

The Department will publish in the **Federal Register** a notice of "Initiation of Antidumping (Countervailing) Duty Administrative Review," for requests received by February 28, 1995. If the Department does not receive, by February 28, 1995, a request for review of entries covered by an order or finding listed in this notice and for the period identified above, the Department will instruct the Customs Service to assess antidumping or countervailing duties on those entries at a rate equal to the cash deposit of (or bond for) estimated antidumping or countervailing duties required on those entries at the time of entry, or withdrawal from warehouse,

for consumption and to continue to collect the cash deposit previously ordered.

Evaluation of State Coastal Management Programs and National Estuarine Research Reserves

AGENCY: Office of Ocean and Coastal Resource Management, National Ocean Service, National Oceanic and Atmospheric Administration (NOAA), DOC.

ACTION: Notice of availability of evaluation findings.

SUMMARY: Notice is hereby given of the availability of the final evaluation findings for American Samoa, Louisiana, Maryland, Michigan, Puerto Rico, and South Carolina Coastal Management Programs, and Great Bay (New Hampshire), Chesapeake Bay (Virginia) National Estuarine Research Reserves (NERRs). Section 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended, requires a continuing review of the performance of coastal states with respect to coastal management and the operation and management of NERRs.

The states of Maryland, Michigan, South Carolina, and the Territories of the American Samoa and Puerto Rico were found to be implementing and enforcing their Federally approved coastal management program, addressing the national coastal management objectives identified in CZMA section 303(2)(A)–(K), and adhering to the programmatic terms of their financial assistance awards. The state of Louisiana was found not to be fully adhering to its approved coastal management program. Implementation of several recommendations listed in the findings will bring Louisiana's program back into satisfactory adherence. Great Bay and Chesapeake Bay, VA NERRs were found to be satisfactorily adhering to programmatic requirement of the NERR system.

Copies of these final evaluation findings may be obtained upon request from: Vickie Allin, Chief, Policy Coordination Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 11th Floor, Silver Spring, Maryland 20910 (301) 713-3087.
